Dance fever

In Maui County, the Liquor Commission [LC] has made attempts to control the freedom of expression in all bars and restaurants. They state a dance floor is the only place you can "move your body, especially the feet, in rhythm, ordinarily to music."

Maui Dance Advocates has filed a declaratory ruling with the LC, which they will discuss on March 12. We question the constitutionality of their rules. Many people are unaware of the rule, and establishments do not want to go on record because the LC has the power to take away their liquor license.

The LC meeting will take place on Wednesday, March 12, in Wailuku at 9 a.m. in the David K Trask Building. We will collect written testimony from those who cannot get out of work to go to the meeting. The meeting will be televised on Akaku: Maui Public Television. We have drop boxes in Pa'ia at Postal Plus, in Wailuku at Request Music and in Kihei at the Aloha Market Place.

Maui mana for anyone who wishes to submit written testimony. Check out our Website for more information www.myspace.com/mauidanceadvocates, or give me a call to talk story about dancing at (808) 264-7691.

have extended the same rights, benefits, protections, and responsibilities of spouses in a marriage to partners in a civil union.

- I don't know, or I don't care.
- Do not agree - The State of Hawaii should NOT have extended the same rights, benefits, protections, and responsibilities of spouses in a marriage to partners in a civil union.
